

Associate Dentist Vacancy

This is an exciting opportunity for an ambitious, experienced and motivated dentist to join us in a well-established Private Specialist Clinic in Central Swansea full/ part time.

Located in the Swansea Marina, we have two operating theatres and seven surgeries. Compliant with all aspects of Clinical Governance, we provide modern equipment, digital x rays, OPG and CBCT scanner, in modern, comfortable and welcoming surroundings.

The applicant is expected to provide a high standard of clinical care and have excellent communication skills.

Working as part of a friendly and supportive team of dentists and Specialists he/she will deliver optimum clinical care to patients who self-refer, are in-house referrals or referred to us for Specialist treatments.

The applicant must have had Post Graduate training in a Specialist field but it is not mandatory to be on the Specialist register.

Working days and hours are flexible with excellent remuneration.

For anyone who would wishes to work within a Private multidisciplinary team, in a progressive, forward-thinking Clinic focussed on delivering the best patient care.

If you think you are suited for this position please send a CV and a covering letter to:
