

Paediatric Referrals from the CDS to the GDS IN ABMU Health Board

Draft template referral form from CDS

Name of practice

Dear Dr

Re: Community Dental Service Referral to GDS

Patient Details

We have been informed by ABMU Health Board that your practice is currently accepting new patients and I would be grateful if you would accept this patient.

This patient was recently referred to the CDS and was not considered to satisfy the referral criteria. As you know the CDS provides dental care for vulnerable patients due to some form of disability.

Additionally there is an agreement that appropriate paediatric patients can now be treated and cared for by the GDS in order that the CDS can provide care for vulnerable patients who require specialist care. This agreement has the approval of ABMU Health Board Management and Morgannwg LDC.

For your information the original referral form accompanies this letter.

Many thanks.

Yours sincerely,
