### **Associate Dentist Vacancy**

Parkway Clinic are looking for additional Clinicians to join our team.

This is an exciting opportunity for an ambitious, experienced and motivated dentist to join a well-established Private Specialist Clinic in central Swansea, which is well thought of within the local community.

Located in the Swansea Marina, Parkway Clinic has 2 operating theatres and recovery suites for General Anaesthetic and Sedation and 8 dental treatment rooms.

Compliant with all aspects of Clinical Governance stipulated by the Health Inspector of Wales, the Clinic is registered as a Private Dental Hospital.

It provides modern equipment, digital x-rays, OPG's, and a CBCT scanner and intra-oral scanners in modern comfortable and welcoming surroundings.

Parkway Clinic enjoys an excellent reputation because of the broad range of treatments provided by a friendly, experienced, highly-trained and motivated team in a pleasant working environment.

We are looking for Associates who want to be a contributing member of a multidisciplinary team. The candidate must have a Post Graduate interests in a Specialist field but it is not mandatory to be on the Specialist register.

The applicant will have the opportunity to deliver complex treatment plans and develop his/her skills.

Working days and hours are flexible with excellent remuneration.

If you think you would be suited for this position and challenges of the post, please send a CV and a covering letter to: [darren@parkwayclinic.co.uk](mailto:darren@parkwayclinic.co.uk).
